

GROUP SUPERVISION

New Clinicians Group

Online group supervision from an anti-oppressive lens for new LPC and LMFT associates seeking a solid foundation for clinical practice. Also open to any clinician looking for a refresher.

- Law and ethics of being an LPC/LMFT
- Understanding the ACA Code of Ethics as well as OAR and ORS
- Informed consent
- Dual relationships
- Trauma-informed care for client and clinician
- Documentation standards
- Imposter syndrome
- Setting boundaries
- Self-care and community care
