COUPLES AND RELATIONSHIPS SUPERVISION GROUP

Anti-oppressive group supervision for PCAs and MFTAs who want to address relational trauma in their couples/relationship work with minoritized partners from a relational privilege lens.

- For clinicians who already found a preferred modality (EFT, PACT, etc) but wish to address systemic trauma and oppression in their couples/relationship work.
- For clinicians working with couples/relationships where one or more partners have a systemically marginalized identity.
- For clinicians who want to address systemic oppression in couples/relationship therapy.
- For clinicians working with individuals challenged by relational trauma in their relationships.
